Greetings Heartland Family!

It's that time of year: the classrooms have been painted, textbooks ordered, and teachers are making lesson plans. In less than two weeks we start a new school year! I don't know where the summer went—it seems like we were just wrapping up the last school year with graduation. Our student body has grown, and we have hired some extraordinary new teachers to help us offer a Christ-centered education. I'm excited about the amazing staff the Lord has put in place to serve the students and families this next year. It's my heart's desire that we see the Lord move mightily in the hearts and minds of our students this year.

We always need volunteers to help out with things around the school. Mrs. McCubbin will be coordinating volunteers this year, so if you would be willing to help out with the auction, Care-a-Thon, or other events around Heartland, please, email amccubbin@hfministries.org.

I would also ask that if you are unable to volunteer, please help me in another way. Pray! I can't tell you how much we desire your prayers. Pray for Pastor McCubbin as he leads the church and the school. Pray for the staff as they work behind the scenes to keep things running smoothly. Pray for the teachers as they try to share Jesus with the kids, plan and teach lessons, grade papers, and balance families at home. Pray for the students who will be at Heartland this year. Pray that the Lord will move in their lives and that every student will know Jesus in a real, personal way. I believe that no student is here by accident. God has a plan for every staff member, teacher, student, and parent who will enter our doors. This is not just a school; it can be a mission field too. Last year, we saw 10 salvation decisions here at the school! I can't wait to see what the Lord does this year! Finally, pray for me as I take on this new role as principal. I hope to serve you all well. I'm excited to be on this journey partnering with parents to offer an affordable, Christian education to some pretty awesome kids!

In Christ,
Marc Kerby
Principal

**Host Families Needed**

We have heard about a few possible international students who are interested in attending during this coming school year, and we are in need of host families! This is an exciting ministry for our school to continue and an excellent opportunity to bring the mission field into your home. If you have any questions or would like to serve as a host family, please, reach out to Pastor McCubbin at: dmccubbin@hfministries.org

It is hard to believe that we are starting school this month. The school is continuing to grow, and we have so many things to be grateful for as we start the new year. We are going to hit the ground running this year with our Care-a-Thon. On September 6th the students and teachers will again go throughout the Kansas City area serving various organizations. Students will be getting sponsors to support them in these efforts. If you are interested in supporting a student please reach out to me, and I can help connect you to a student in need.

Our auction team is also working hard in preparation for this year's annual auction. Mark your calendars now for October 4th! This will be our 38th Annual Benefit Auction. We are currently accepting donations, and we will be announcing drop-off dates soon. Please be watching for updates!

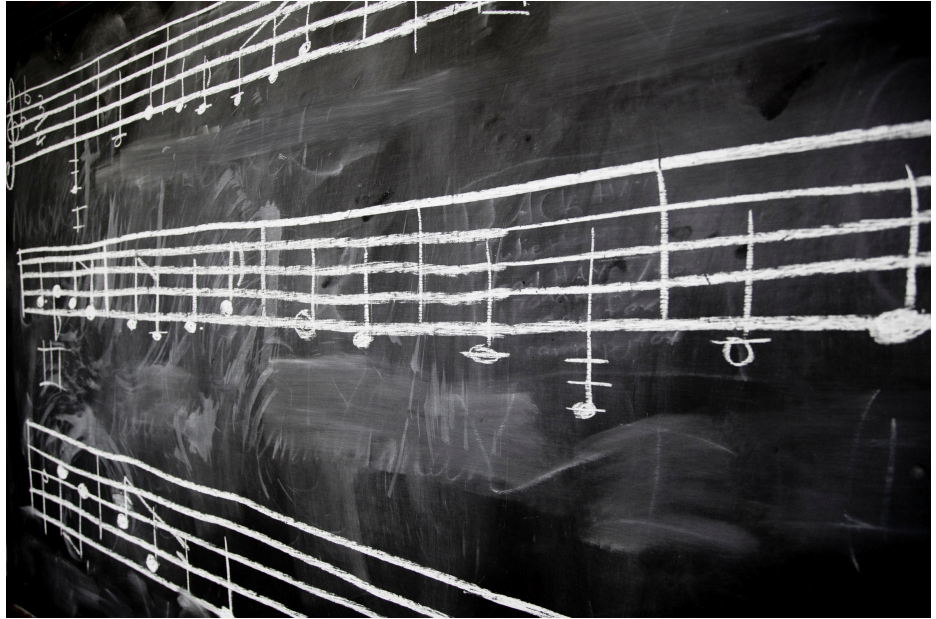

This year, we will be working on several projects to improve our facilities and will begin looking at the possibility of expanding to provide for additional classroom space and extra curricular program space. If you are interested in partnering with us to provide some of these needs, or if you would like to volunteer to help at the school, please, reach out to me at tatcheson@hfministries.org.

**Movements in Music**

This summer, Brad and Amy Krigbaum were called to serve in a ministry in Arkansas. We have greatly appreciated their tireless efforts here in leading the Music and Children's Ministries at FBC and the Elementary Music, Choir, Orchestra, and Drama programs during their time here at Heartland. We are sad to see them go and excited that the Lord has already brought in new people to fill these roles. Scott Smith, who had recently begun playing the organ during Sunday worship services, has agreed to serve as the Minister of Music and take over the Elementary Music, Choir, and Orchestra classes at HCS. Noah and Hannah McCubbin will be serving in the Children's Ministry.

We're getting closer to the new school year, and there are several events you will want to mark your calendars for this month! The first will be the New Family Orientation for those who have just joined the Heartland family by enrolling their students this year. This will take place Sunday, Aug. 11, at 2pm, but there will be a combined Children's Church kick-off and Back to School Bash at FBC right before that with food and games starting at 12:30pm. New families are welcome to attend the earlier events, as well. The next night - Monday, Aug. 12 - we will have our Back to School Night at 7pm. There will be announcements, sign-up tables, and a chance to visit classrooms and meet teachers. Please, check Mrs. Atcheson's weekly update emails for more details. The first day of school will be August 14, which will be a half-day, with the students being released at noon. Students in 6th-12th grade are welcome to attend the Seekers Youth Group's Back-to-School Bash on Saturday, Aug. 17. Please, contact Cole Knowlton for details about this event at cknowlton@hfministries.org

On Sunday, Aug. 18, FBC will be holding its annual Faculty and Staff Appreciation Service during the morning worship service at 10:15am. All families are invited to attend as we recognize those who serve in the school and pray over them.

Currently, PTF meetings are scheduled for 5:00pm on the third Monday of every month. This organization is a vital force in supporting the faculty and staff at this school, and we hope to see you there!
